# 5. Accessibility Statement

*Last updated: February 15, 2026*

## Accessibility Statement for ByteMe

This is an accessibility statement from ByteMe.

### Measures to support accessibility

ByteMe takes the following measures to ensure accessibility of ByteMe:

- Include accessibility throughout our internal policies.
- Integrate accessibility into our procurement practices.

### Conformance status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. ByteMe is partially conformant with WCAG 2.2 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

### Feedback

We welcome your feedback on the accessibility of ByteMe. Please let us know if you encounter accessibility barriers on ByteMe:

- At our website: `https://frontend-production-c253c.up.railway.app/support`

### Technical specifications

Accessibility of ByteMe relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- CSS
- TypeScript

These technologies are relied upon for conformance with the accessibility standards used.

## Limitations and alternatives

Despite our best efforts to ensure accessibility of ByteMe, there may be some limitations. Below is a description of known limitations, and potential solutions. Please contact us if you observe an issue not listed below.

Known limitations for ByteMe:

1. **All pages**: Text to speech page reader not implemented because it is not included in this iteration of the website. We plan to implement in the next iteration.

## Assessment approach

ByteMe assessed the accessibility of ByteMe by the following approaches:

- Self-evaluation

## Formal complaints

We plan to implement issue forums in the next iteration of this website.
